

# FASHION CLASSIFIER SYSTEM

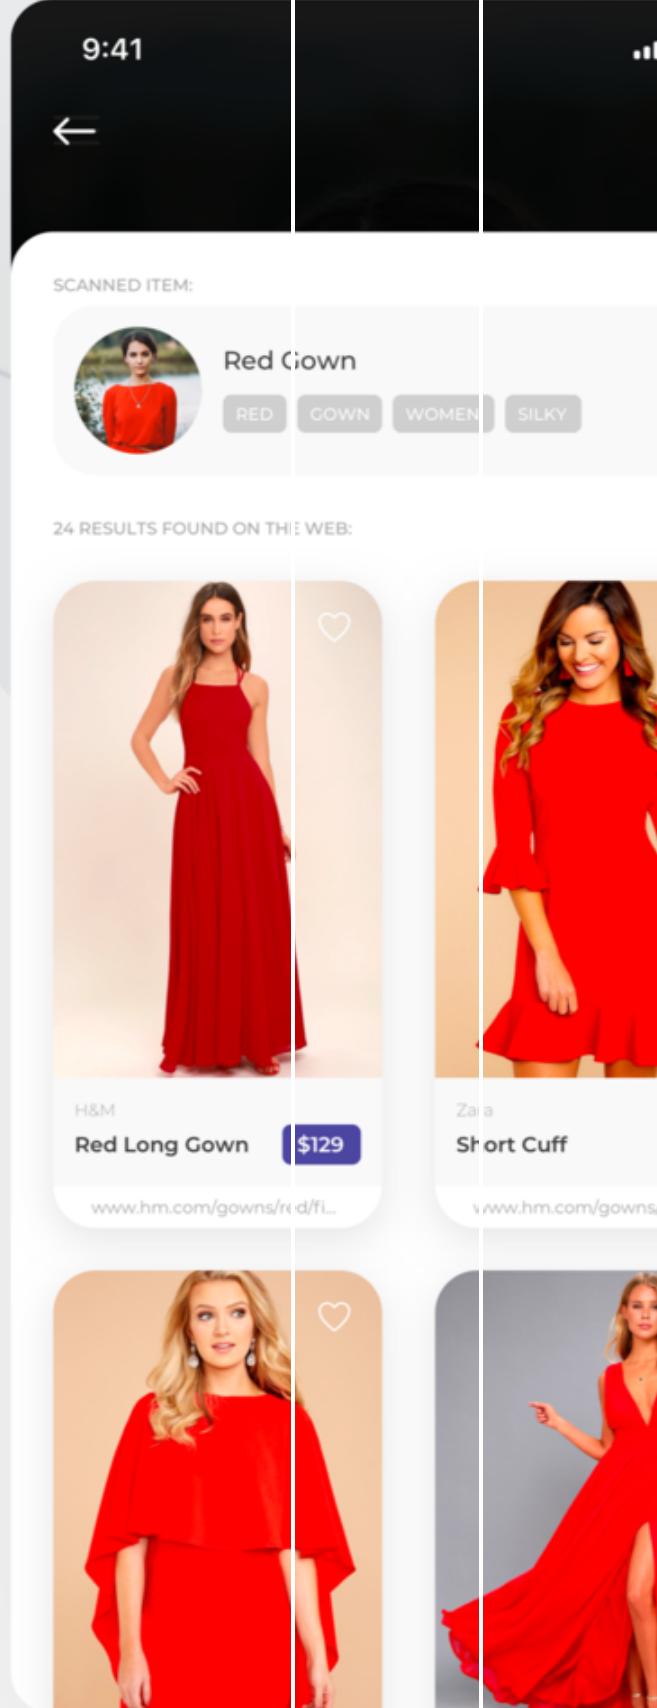

By Andres Saldana

01

IRONHACK BERLIN, OCTOBER 2020

02

# Motivation

Try on clothing augmented reality app

Implement an AI that recommends you clothes

03

# Research

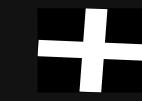

What do I need to know?

Approaches

Models... Which one?

04

# Problems

Data? How much?

Where and how start with?

# Solutions

Divide and Conquer

First Step

Deep Learning

# Colors

# Categories

07

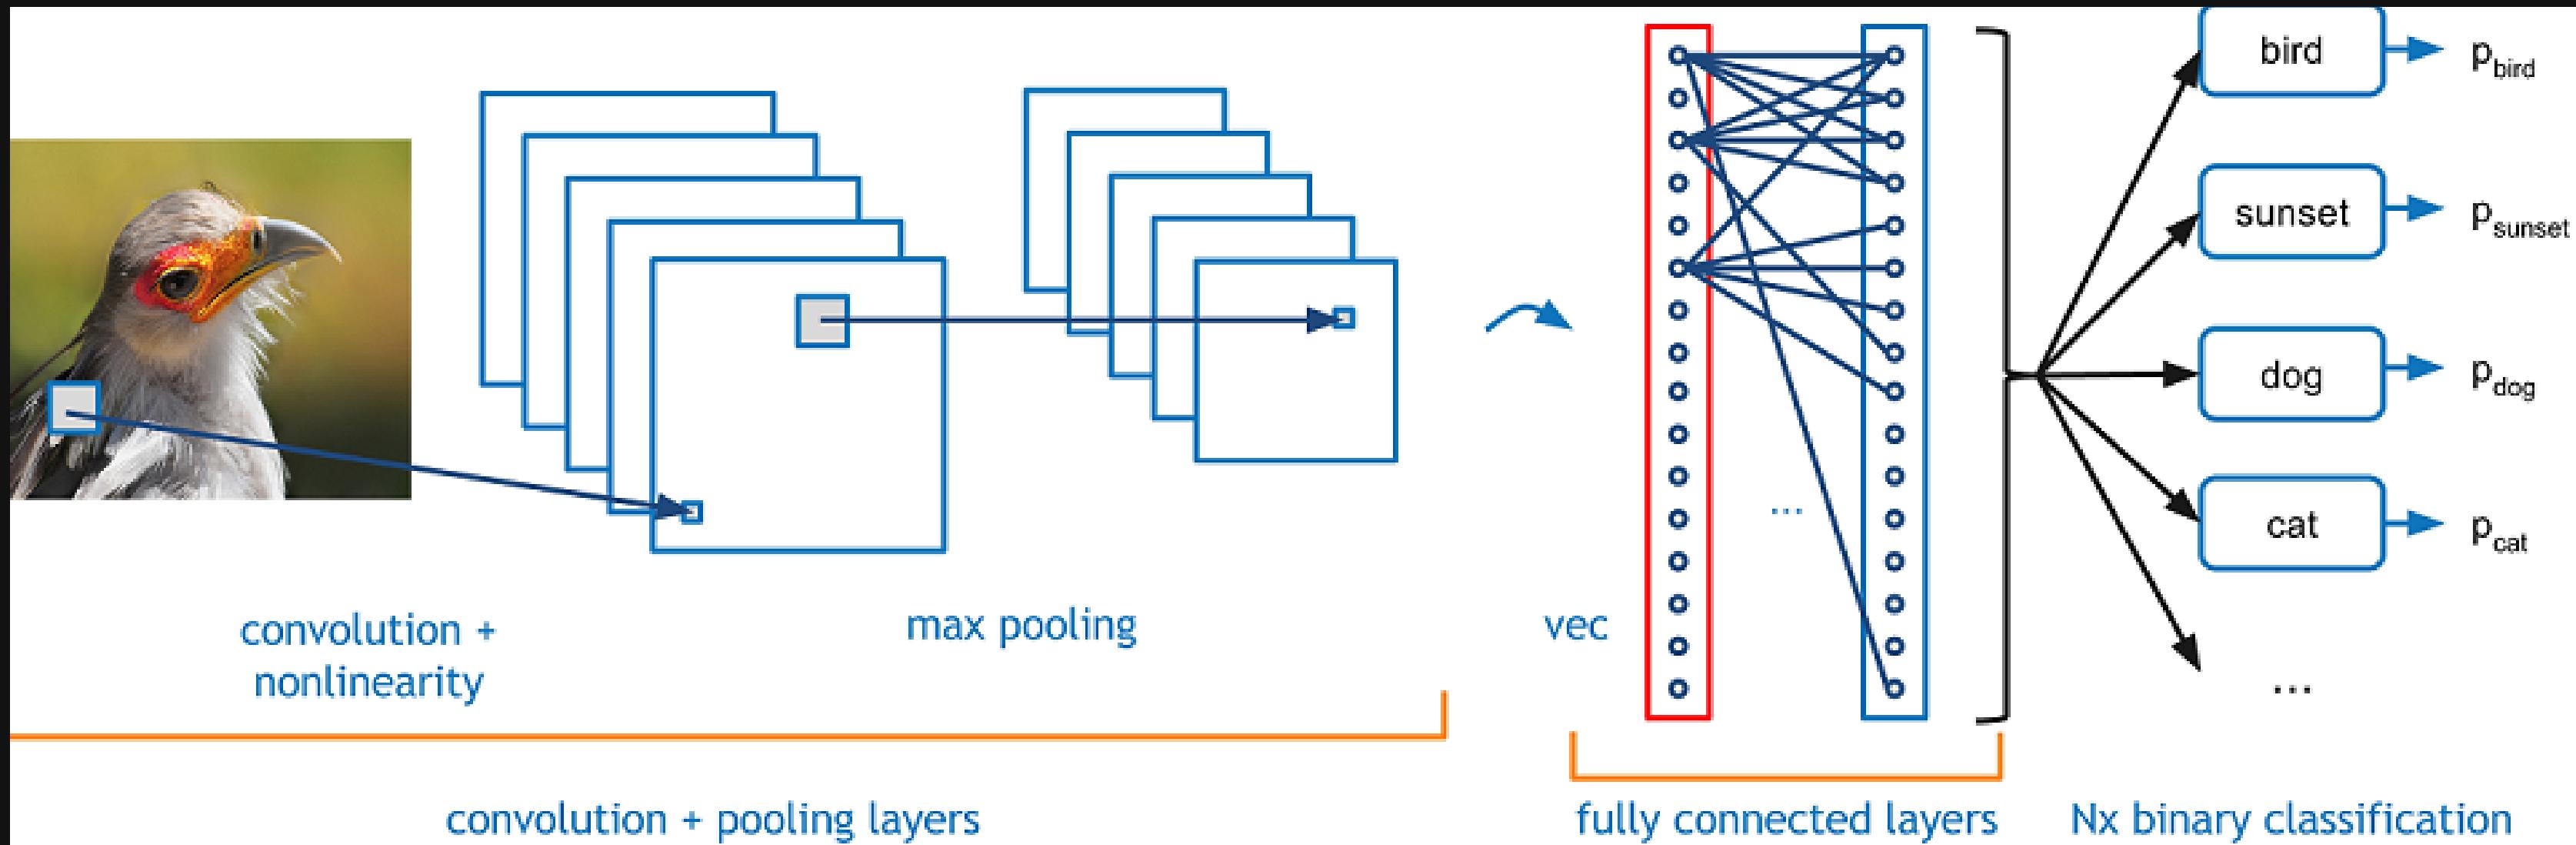

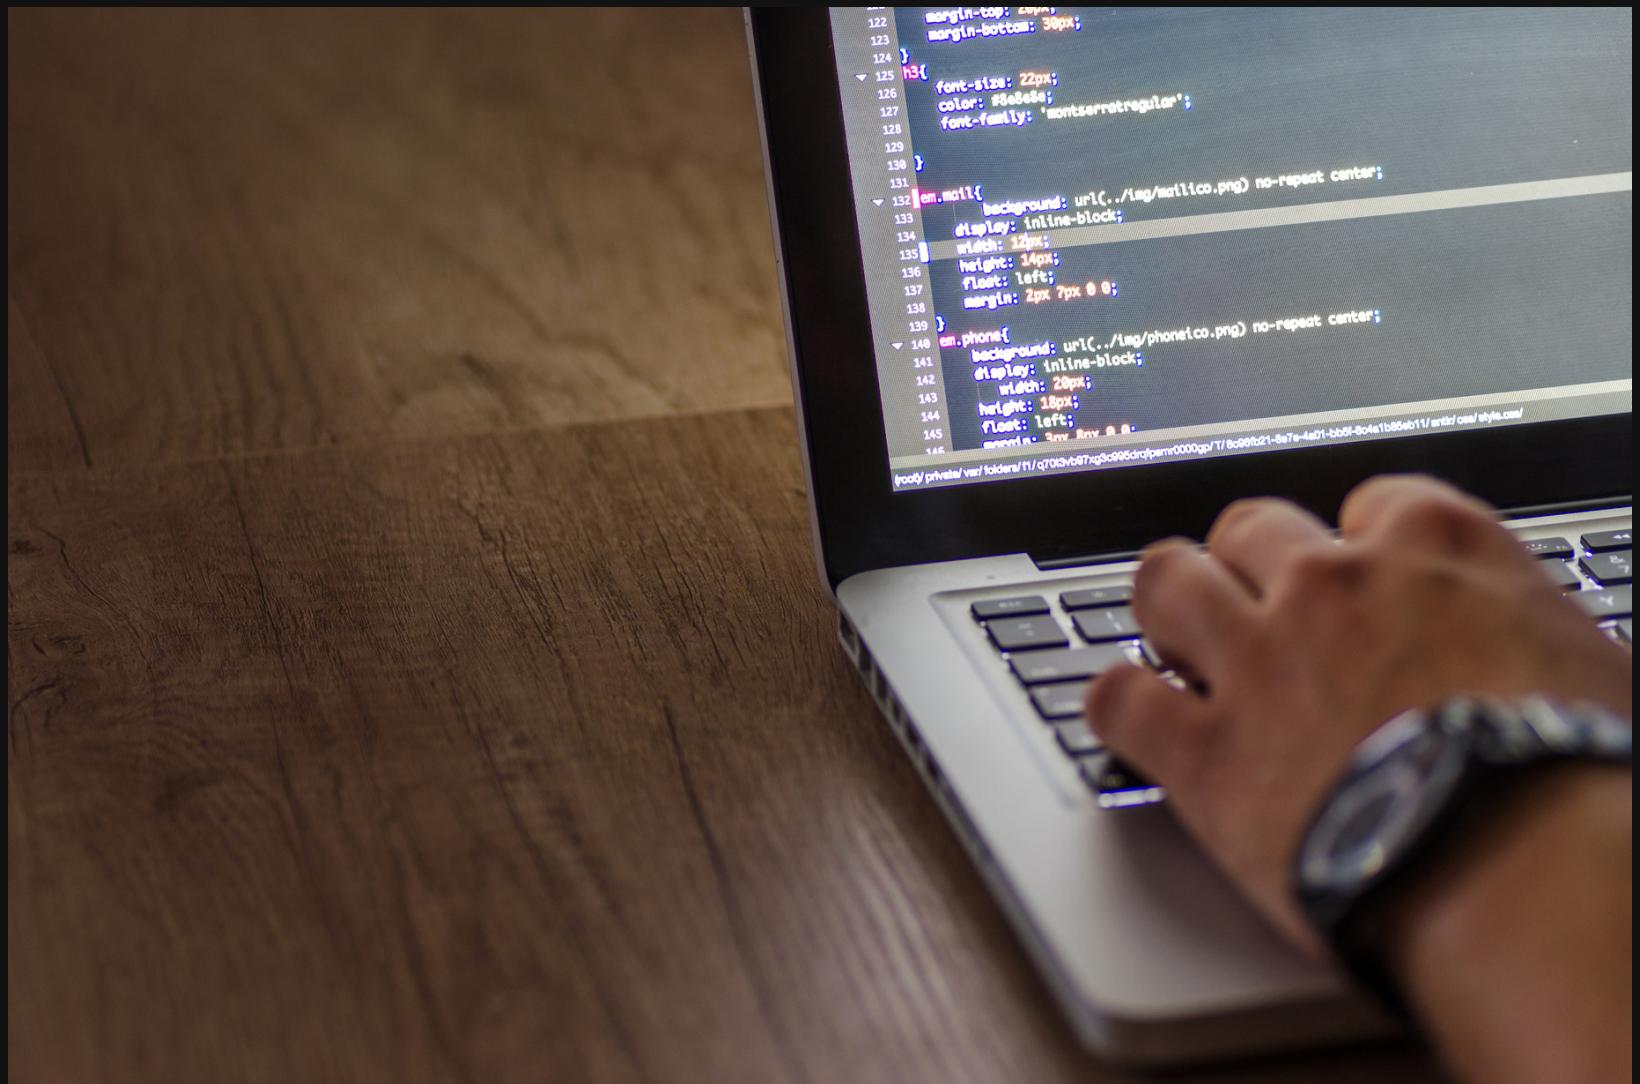

Let's  
Classify

# Convolutional Neural Networks (CNN's)

# THANKS !!!

DEMO TIME
